"Committed to Families in Need"

"A generous man will himself be blessed, for he shares his food with the poor" Proverbs 22:9

Family Impact Center is a Christian-based organization that began serving those in need in March of 2002. We work hand in hand with local communities to help bring restoration to individuals and families in need by offering the following programs:

Programs Provided

- Client-Choice Food Pantry
- Educational Resources
- Support Groups
- Counseling Services
- Mentoring Programs

More families request assistance from Family Impact Center during summer months because their children are not in school and, therefore, are not receiving free lunches. Consequently, the need to keep the Pantry's shelves replenished is greater than usual. In addition, donations from food drives done by schools and other organizations are much lower in the summer. So, join us to help stock the Food pantry at Family Impact Center, our local organization for individuals and families in need!
